INGREDIENTS

1 lb ground beef
1/2c chopped green pepper (about 1/2 medium one)
1/2c chopped onion (2/3 of medium one)
1c ketchup
1/4c water
2 tsp instant beef bouillon (I use powder version, 2 cubes if you have that)
2 tsp sugar
1tsp mustard
2 tsp Worcestershire sauce

DIRECTIONS

1. Brown beef with onion and pepper. Drain the fat.
2. Combine remaining ingredients together with beef.
3. Bring to a boil; reduce heat.
4. Simmer, covered for 15-20

TIPS

- You can't really go wrong here. Don't like one of the veggies, leave it out. Have a red pepper on hand, use that instead! Enjoy!
